

Beachside Caravan Park Privacy Policy

Beachside Caravan Park is firmly committed to protecting your privacy as you interact with us from time to time. We aim to maintain a safe and secure system of handling your personal individual information, whilst still providing access to your personal information when required. For this reason, we ensure that your personal information is handled in strict compliance with the Queensland Government Information Privacy Act 2009. Further information on Australian Privacy Laws is available from the Internet site www.privacy.gov.au

This policy sets out the principles that Beachside Caravan Park adopt in order to protect your personal information. These principles deal generally with our collection, use and disclosure of, and your access to information we may have recorded about you.

1. Collection of your information

We only collect personal information that is necessary for us to carry on our business functions. What information we collect depends upon the nature of our dealings with you, and usually in relation to caravan and camping sites and /or accommodation and /or services provided to you by us.

We will normally collect directly from you any information we have about you. Occasionally we may receive information about you from third parties, but if we are to use such information for any reason, we will let you know shortly after we receive it.

2. Use and Disclosure of your information

We will only use your personal information for the reasons we collected it. Unless we have first obtained your consent, these reasons and the parties to whom we might disclose it will be reasonably apparent to you when we collect your information and our use and disclosure of that information will be for our business activities.

If we have marketed our products and services to you and you no longer wish to receive those sorts of communications from us, you should contact Management and we will ensure this corrected.

Any other use or disclosure we make of your personal information will only be as required by law and or permitted by the Privacy Act 2009.

3. Data Quality and Security

We will take all reasonable steps to:

- (a) Make sure that the personal information we collect, use or disclose is accurate, complete and up to date;
- (b) Protect the information from misuse, loss or un-authorized access, modification or disclosure both physically and through computer security methods;
- (c) Destroy or permanently de-identify the information if it no longer is needed for any purpose.
